

Fiberglass Stackable General Purpose Module

LIGHTWEIGHT MULTI-PURPOSE MODULES FOR NON-CLASSED SAFE AREAS

Flexible Layouts

Customize modules to your specifications.

Multi-Functional

Office
Recreation Room
Laundry Module
Equipment Holding
Meeting Room

Plug and Play Porches

Easy and quick installation.

Lightweight and Stackable

Use in areas with space and weight restrictions.

Winch Truck Ready

Skid design allows for winch truck loading.

Fire Retardant Resin

Exterior walls designed with fire retardant resin.

HB's Fiberglass General Purpose Modules are flexible, all-purpose rooms that can be retrofitted to your project needs. HB Rentals' line of Fiberglass Stackable Modules is a cost conscious lightweight alternative to heavier modules. Perfect for non-classed safe area use where regulatory restrictions do not apply or have a limited footprint.

Easy Deployment

- Plug and play porches and
- Can be utilized where crane capacity limitations are present.
- Winch Truck Ready – alternative loading, transportation, and installation method.

Purpose Designed for your Project Requirements

- Flexible layouts – modify standard floor plans to your specific requirements.
- Footprint Sensitive – Save valuable deck/site space with stackable design.
- Lightweight – Modules can be utilized in sites with weight restrictions.

Designed to Non-Classed Use

- Alternative to steel – Fiberglass modules can be utilized as an alternative on non-classed facilities.

Enhance Employee Safety

- Equipped with standard fire and gas detection.
- Exterior construction possesses a layer of fire retardant resin to mitigate risk.

Maintenance Friendly

- Central AC unit mitigates the risk of damage.
- Plug and Play AC design for easy removal and replacement – avoid incurring HVAC specialist costs.
- Vinyl composite tiled flooring for easy replacement and cleaning.

Endless Options

- Recreation Room - Equipped with TVs, chairs and coffee tables.
- Fitness Center - Equipped with fitness equipment.
- Medical Bay - Designed with an exam table and sink.
- Laundry Module - With washers and dryers.
- Admin/Office - Complete with meeting tables, chairs and desks.
- Equipment Holding Module - Designate a space to hold project equipment.
- Customized General Purpose Module - Design a module to your exact project needs.
